## **Ashville Elementary Scholarship**

The motto of Ashville Elementary is “Be a World Changer.” Our students are rewarded for making good choices and demonstrating world changing behavior in our building. Ashville Elementary would like to recognize a student who attended Ashville (for at least two years) and who has changed the world in their own way. This recipient of our \$500.00 scholarship will be considered based on their description of how they have made a difference in their community and world. This could include but is not limited to, an example in the classroom, community and/or extracurricular activities.

### **I. Applicant Criteria**

- A. Must have attended Ashville Elementary for two complete years.
- B. Must complete a typed or written short response to the question below on making a difference and being a “world changer,” include an example.
- C. Must attach at least two letters of non-family references.

### **II. Scholarship selection**

The committee will be selected by the elementary principal. It will consist of Ashville Elementary Staff members.

### **III. Receipt of payment of the \$500.00 Scholarship**

Once the winner has been selected, the committee will make a recommendation of where to send the \$500.00 based upon future educational plans. It may be sent directly to an educational

institution or to the family depending on the situation. The \$500.00 Ashville Elementary Scholarship is provided in partnership with our Ashville PTO.
